

# Ján Novák

“Least effort, great success.”

Age: 14 years

Part-time job: None

Marital status : Single

Country: Slovakia

Education: Middle school

## BIOGRAPHY

Ján, is a classic student who does not enjoy being in school. He needs to finish middle school and prepare for his final T-9 exam (monitor). He does not enjoy being in school, his only goal is to get through it. His parents set him up with an ultimatum: If he won't pass his exams, they will cut his allowance. He realized that he needs to find a way to learn whole curriculum. And fast. He does not enjoy studying and hopes, that some magic mobile app will solve his problems quickly and painlessly.

## MOTIVATIONS
